

The American Real Estate and Urban Economics Association (AREUEA) will host 23 academic sessions at the ASSA Conference being held in Atlanta, Georgia, January 4 - 6, 2019. The papers included in the sessions will be presented by some of the leading academic and institutional researchers from around the world, resulting in an international and interdisciplinary conference.

At this year's conference, we will host joint paper sessions with AEA and AFA. We encourage you to highlight these dynamic and engaging sessions as you plan your conference schedule.
