

# DESIGNING HEALTHY COMMUNITIES

Friday April 6th, 2018

9:00 am - 6:00 pm

UCLA California NanoSystems Institute

Live stream: <https://bit.ly/2GzTeeq>

---

## UCLA Center for Occupational and Environmental Health Spring Symposium 2018

---

*Hosted by:*

UCLA Department of Environmental Health Sciences

*Additional support:*

**UCLA ZIMAN**  
CENTER for REAL ESTATE

**UCLA Luskin**  
School of Public Affairs

**UCLA  
FIELDING**  
SCHOOL OF  
PUBLIC HEALTH

# SPEAKERS

## Michael Rodriguez, MD, MPH

**Professor, Vice Chair, UCLA Dept. of Family Medicine**  
**Founding Director, UCLA Blum Center on Poverty & Health in Latin America**

Michael A. Rodríguez, MD, MPH, is professor and vice chair in the Department of Family Medicine at the David Geffen School of Medicine at UCLA, professor in the Department of Community Health Sciences at the UCLA Jonathan and Karin Fielding School of Public Health and founding director of the UCLA Blum Center on Poverty and Health in Latin America.

## Angelo Bellomo

**Deputy Director, Health Protection Division, LA County Department of Public Health**

Angelo J. Bellomo is Director of Environmental Health for the County of Los Angeles Department of Public Health. He has held positions in both the public and private sectors, carrying out a range of assignments dealing with the assessment of environmental risks and reforms in environmental public policy. Mr. Bellomo is currently leading the Department's work in reducing the health impacts of climate change while promoting the development of healthy, sustainable and resilient communities.

# BREAKOUT SPEAKERS

## Housing & Health

### Tim Kawahara

**Founding Executive Director, UCLA Ziman Center for Real Estate**

### Ramon Mendez

**Director of Solutions, Enterprise Community Partners**

### Rosemary Veniegas

**Senior Program Officer - Health, California Community Foundation**

### Clare De Briere

**Founder, C+C Ventures and Chair of the ULI Los Angeles District Council**

## Transport & Health

### Renee Fortier

**Executive Director, UCLA Events & Transportation**

### Seleta Reynolds

**General Manger, Los Angeles Department of Transportation**

## Green-Open-Public Space

### Brian Cole, DrPH

**Program Manager, UCLA Center for Health Advancement**

### Robert Garcia, JD

**Founding Director, The City Project**

### Angelia Leung

**Emerita, Healthy Campus Initiative, MoveWell Pod Leader**

### Nurit Katz, MBA, MPP

**Chief Sustainability Officer, UCLA**

#designinghealthycommunities

# SCHEDULE

9:30 - 11:30 AM

## Designing Healthy Communities Overview

### Opening Remarks

*Michael Jerrett, PhD*

### Setting the Healthy Places Agenda - 15 Years in the Making

Built Environment and Health: The Road to Now

*Richard J. Jackson, MD, MPH, HonAIA, HonASLA*

Health & Economic Benefits of Walkable-Transit Oriented Development:  
The Evidence and the Market Converge

*Lawrence D. Frank, PhD*

Healthy Communities: The Global Context

*Howard Frumkin, MD, DrPH*

11:30 - 12:30 PM

## Lunch, COEH Student Project Poster viewing

12:30 - 3:00 PM

## Big Picture Perspectives on Frontiers in the Built Environment

### Green-Open-Public Space & Health

The National Study of Neighborhood Parks

*Deborah Cohen, MD, MPH*

Placemaking for an Aging Population: Planning & Design for Age-Friendly Parks

*Anastasia Loukaitou-Sideris, PhD*

### Role of Public Health is Justice, via Transport & Health

Safe Routes to Play? Pedestrian and Bicyclist Crashes Near Parks in Los Angeles

*Michael Jerrett, PhD*

Examining the Impact of Crime on Walking in Three Communities in New Jersey

*Charles Brown, MPA*

### Housing & Health

Gentrification in Los Angeles

*Paul M. Ong, PhD*

Shared Advantage

*Michael Rodriguez, MD, MPH*

3:00 - 3:15 PM

## Refreshment Break

3:15 - 4:15 PM

## Activity Breakouts

### Housing & Health (Auditorium)

Led by: Tim Kawahara, Ziman Center for Real Estate

*Ramon Mendez, Director, Enterprise Community Partners*

*Rosemary Veniegas, Senior Program Officer - Health, California Community Foundation*

*Clare De Briere, Founder, C+C Ventures and Chair ULI Los Angeles District Council*

### Transport & Health (Lobby)

Led by: Richard J. Jackson, MD, MPH

*Renee Fortier, Executive Director, UCLA Events & Transportation Services*

*Seleta Reynolds, General Manager, Los Angeles Department of Transportation*

### Green-Open-Public Space (Court of Sciences)

Led by: Brian Cole, DrPH

*Robert Garcia, Founding Director, The City Project*

*Angelia Leung, MA, CMA, Emerita, UCLA Healthy Campus Initiative*

4:15 - 5:15 PM

## Synthesizing How to Build Healthy Communities

*Michael Jerrett, PhD*

*Angelo Bellomo, LA County Department of Public Health*

5:15 - 6:00 PM

## Reception

## Richard J. Jackson, MD, MPH, HonAIA, HonASLA

**Professor Emeritus**, *UCLA Fielding School of Public Health*

Dr. Richard Jackson, a pediatrician, has served in many leadership positions in both environmental health and infectious disease with the California Health Department. For nine years he was Director of the CDC's National Center for Environmental Health in Atlanta and received the Presidential Distinguished Service award. In October 2011, he was elected to the Institute of Medicine of the National Academy of Sciences.

## Michael Jerrett, PhD

**Director**, *UCLA COEH*  
**Chair**, *UCLA Enviro Health Sciences*

Dr. Michael Jerrett is an internationally recognized expert in Geographic Information Science for Exposure Assessment and Spatial Epidemiology. He is Professor and Chair of the Dept. of Environmental Health Sciences at the UCLA Fielding School of Public Health. He earned his PhD in Geography from the University of Toronto. Dr. Jerrett is a member of the Standing Committee on Geographical Sciences, U.S. National Academy of Sciences.

## Howard Frumkin, MD, DrPH

**Professor**, *University of Washington*  
**Head-designate**, *Wellcome Trust*

Howard Frumkin is an internist, environmental and occupational medicine specialist, and epidemiologist. He has served at Emory University's Rollins School of Public Health, the CDC, and the University of Washington School of Public Health. Dr. Frumkin is head-designate of the Our Planet, Our Health program at the Wellcome Trust in London. His research interests include the health aspects of climate change, energy policy, the built environment, and nature contact. He was educated at Brown, Penn, and Harvard.

## Lawrence D. Frank, PhD

**Bombardier Chair and Professor**,  
*University of British Columbia Schools of Population and Public Health*

Dr. Frank is Professor in Sustainable Transportation and Public Health at the University of British Columbia and President of Urban Design 4 health, Inc. which builds software tools and documents health impacts of transportation and land development actions. He has published 150 peer-reviewed articles and reports and co-authored two of the leading books – *Health and Community Design* and *Urban Sprawl and Public Health* which helped to map out the field at the nexus between built, natural and social environments, and health.

## Deborah Cohen, MD, MPH

**Senior Scientist**, *Rand Corporation*

Deborah Cohen is a Senior Scientist at the RAND Corporation and the author of "A Big Fat Crisis: The Hidden Forces Behind the Obesity Epidemic, and How We Can End It". She is the principal investigator of multiple studies on parks and physical activity and the author of many papers on the impact of the built environment on health.

## Anastasia Loukaitou Sideris, PhD

**Professor of Urban Planning**,  
*UCLA Luskin School of Public Affairs*

Anastasia Loukaitou-Sideris is Professor at the UCLA Department of Urban Planning and Associate Provost for Academic Planning at UCLA. She has degrees in architecture and urban planning. She is the author or editor of five books and over one hundred publications on urban planning and urban design.

## Charles Brown, MPA

**Senior Researcher & Adjunct Professor**, *Rutgers University*

Charles Brown is a self-proclaimed "street level researcher" working at the intersection of transportation, health, class, race, gender, and politics. He is a senior researcher with the Alan M. Voorhees Transportation Center (VTC) and adjunct professor at the Edward J. Bloustein School of Planning and Public Policy, both at Rutgers University. His work has been published in several international journals as well as featured by or quoted in the New York Times, Streetsblog, CityLab and various other national and local media outlets.

## Paul M. Ong, PhD

**Professor of Urban Planning**,  
*UCLA Luskin School of Public Affairs*

Paul M. Ong, Ph.D., is Research Professor at UCLA's School of Public Affairs and Director of the Center for Neighborhood Knowledge. He has a professional degree in planning and a PhD in economics. His research focuses on the urban spatial structure and inequality. He has served on advisory committees for the Census, the environmental justice committee at the Southern California Air Quality Management District (SCAQMD), and various Asian American advocacy organizations.
